DOMO EXHIBITION - gERMAN oRGANISATION FOR mOSAIC ART

For those interested in being part of the DOMO exhibition here is how it works....

You download their (English) entry form from their home page

www.domo-ev.de/en/connexion

Then you registrar your intention to exhibit by filling out the details on the form and send it to DOMO before 31 March, 2010 DOMO's mailing address is: DOMO e.V./c/o Thomas DenkerWielandstr.50D-60318 Frankfurt an MainGERMANY

Now you have to get cracking and make up to 3 mosaics and send a .jpeg photo of each one to

info@domo-ev.de

Closing date for images is July 31. Image details are the same as any MAANZ exhibition i.e. 300dpi etc. Remember you are being selected to exhibit on the strength of these photos so make sure they are the best quality.

A jury will select the mosaics which will be presented in the show room at Maikammer. The selected mosaics must be sent to Maikammer by the end of September. They will also show up in DOMO's catalogue.

The exhibition will open its doors by the beginning of October. The (same) jury will award some prizes. After the end of the show DOMO will send the mosaics back to the artists, unless sold.

More information will be sent to all artists after 31 March.

There are no other costs for the participants. The artists pay for the transport of the mosaics. Due to a generous sponsor DOMO has announced there is NO ENTRY FEE.
