

VENDORS' MARKETPLACE — 2026 BRISBANE SYMPOSIUM

STALL PACKAGES

PACKAGE A — Two tables* (single vendor / 4 days)

Includes secure site for four full days.

Non-symposium vendors also receive access to Friday plenary sessions.

Includes tea and coffee for four days, plus a shared sandwich/wrap platter on Friday (for one person only).

\$450.00

PACKAGE B — Four tables* (single vendor / 4 days)

Includes secure site for four full days.

Non-symposium vendors also receive access to Friday plenary sessions.

Includes tea and coffee for four days, plus a shared sandwich/wrap platter on Friday (for one person only).

\$650.00

PACKAGE C — Two tables* shared between two vendors (4 days)

NOTE: Vendors will need to find their own partner, make one payment, and are responsible for arranging the cost-splitting privately.

Includes secure site for four full days.

Non-symposium vendors also receive access to Friday plenary sessions.

Includes tea and coffee for four days, plus a shared sandwich/wrap platter on Friday for two people.

\$550.00

*Table size 1830mm x 500mm (710mm high)

PLEASE NOTE:

If you have any additional assistants who are non-symposium delegates they do not have access to tea coffee and Friday platter. If they would like this the cost is as follows:

Tea & coffee + Friday sandwich/wrap platter

\$50.00 per person

The stall package also includes the following marketing opportunities:

- 1/8-page ad in an edition of *Opus Oracle* published closest to the symposium for Package A & C, OR a 1/4-page ad for Package B
 - 1/8-page ad in the printed Symposium Programme for Package A & C, OR 1/4-page ad for Package B
 - Mention/promotion in *Opus Oracle* before the symposium
 - Mentions on the Vendors page on MAANZ.org, including your logo and website address
 - Invitation to supply a business card, literature, or product samples in the symposium bag at no charge
 - Opportunity to make real-life connections with customers and potential customers, and add to your mailing lists for future sales
 - Table and chairs for each stall
 - Opportunity to run scheduled product demonstrations, which will be advertised in the Symposium Programme for delegates who are not attending workshops — a very powerful way to generate interest and sales
